Prayer & Care

Our love and sympathy is extended to Suzanne Braly in the loss of her mother, Barbara Braly. She passed away Tuesday. To honor Barbara's wishes there will only be a private family memorial.

We sympathize with Randy Farrar in the loss of his father, Robert, in Houston last week.

Also, we send our sympathy to the family of former WE member Alma Faye Price who passed away on January 7th after a lengthy illness. Alma was the wife of former WE Education Minister Wes Price who preceded her in death last September. Her services will be at 11 a.m. on Wednesday, January 22nd at Edgefield Church of Christ in Dallas.

Sue and Dannie Skipper saw the surgeon, Dr. Goodfried, on Tuesday. Sue has hip replacement surgery scheduled for January 29. The doctor thinks that it will relieve the pain in the hip and leg and she will be able to walk much better. She will still have the back problems but should be able to manage that with medication. They want to thank you for all the prayers and support.

Morris Hallman's grandson, Josh Embrey, will have a mass removed from his spine later this month. Morris' daughter, Terri Hallman, had extensive shoulder surgery last Tuesday.

Lewis "Lonnie" Phillips, father of Mike Phillips, is now under hospice care.

Welcome our Newest Members!
Glynn Cobb was baptized last Tuesday.
We welcome him as a new brother in Christ and
we welcome Glynn and Ann to the West Erwin Family.

Watch for our West Erwin Wire emails. They typically are sent out on Tuesdays and Friday or Saturday. These emails give you links to our Sunday Bible classes led by Danny Snell and by Donnie Carnathan at 5 p.m. On Tuesdays you are given information on how to connect to our 7 p.m. Wednesday night classes. Bill also has a Facebook class every Tuesday and Thursday. He is currently covering the book of Acts. Links to that are included each week as well as any updates to our Prayer & Care list.

The elders announced last Sunday that David Keen has resigned as youth minister to work full-time with special needs students. We are saddened to lose him as youth minister but excited that he will use his gifts and passion with Whitehouse ISD and are thankful that the Keen family will continue to worship and serve as part of our West Erwin family. The elders are committed to having an excellent youth program here at West Erwin and will begin the search immediately for a full-time youth minister. There will be a meeting of the elders and parents of rising 4th through 12th graders this Monday, June 15, at 6:00 PM in the Family Life Center to discuss what is ahead in our youth program during this transition period. The elders ask that everyone be prayerful about this process and continue to pray for our youth families. We know that as always our West Erwin family members will step up during this time and that our youth and youth families will continue to grow and serve as we seek and act on the Lord's guiding Presence.

Dear West Erwin family,

You may recall that some weeks ago we needed to make some changes to our monthly expenses which included reductions to our staff salaries. Since the pandemic isn't resolving itself quickly enough we have found it is required now to make additional adjustments.

As of August 1st, Bill Allen will be our only full-time minister. Danny Snell will be moved to part-time. Donnie Carnathan, Davy Carter, and Donni Cook have already been part-time, though their hours may be further reduced. Frances McBee will remain at the church office during business hours and Sharon Hammond will work from home for the foreseeable future. Our staff members will be incurring a reduction in salary for the second time since March. We know this will be further hardship on our ministers and church staff and we pray that this will be short-lived. Keep our staff members in your prayers as they find ways to make due until this is resolved. We appreciate their hard work and dedication. We know they will continue to put their hearts into the work at West Erwin. At this time we are not making any further cuts to the support of our missions.

In addition, we have adjusted the West Erwin office hours. The office will now be open Monday through Thursday, 9 a.m. till 4 p.m.

Please pray for the families of our staff members, the hard decisions the elders have had to make, and the hardships being endured by all West Erwin members.

As announced this past Sunday:

For the last 32 years God has blessed Lisa and I with the opportunity to pour our lives into the West Erwin church. In our ministry God has opened door after door. We have always believed that God would provide and show us the way... His way. He has shown me that shaping me on the anvil is a process not an event and that His purposes will be done. 36 years ago I answered a call (literally) into ministry. An Elder at my home church called me and said "we want you to work with our teens this summer... as their youth minister..." I already had a job but God said... Hey... look through this door and follow me. And so my journey in ministry began. God opened door after door, opportunity after opportunity, a journey that I never envisioned... nor one in which I have any regrets. But there comes a time... a time to go where God clearly opens doors.

It is with a very heavy heart that I resign my role as minister of the West Erwin church. This is by far the most difficult decision we've ever had to make... and it is a decision that God, Lisa & I have made. While we may not know what the future will look like... We absolutely believe God is in control... and He is faithful... and its gonna be ok.
Danny & Lisa Snell

Marlee is a graduate of Winona High School.

I am graduating from the Brook Hill School, which I have attended since Pre-K and in which I've been very involved. I'm the 2019-2020 Drumline captain, I'm a section leader in choir, I'm the 2019-2020 president of NHS, I've been on student council, I'm in the top 10 of my class, and I've worked at the Brook Hill coffeeshop, spent time tutoring younger students for the last three years, and am a charter member of the community choir, 'Cantori'. I've attended West Erwin for all my waking memory, and my favorite things that I've been involved in are LTC and Nebraska over the years. I don't have any one specific favorite event, I've just enjoyed getting to spend time with my friends, doing things that benefit each other and others. I love West Erwin because of all the kind people who attend it, and I appreciate everyone who puts work into this congregation. I'm not set on where I'm going to college next year, but I plan to eventually earn a master's degree and work in the field of therapy. I would like to thank my mom for all the hard work she has put into raising my siblings, Matthew and Anne, and me.

“King”

It just might be that today’s message is the _____ sermon for 2020, and for this moment in 2020.

“For _____ is the kingdom and the power and the glory forever. Amen.” (Matt. 6:13)

This statement of praise is called a “_____”—a word of glory/praise.

Do we really _____ it? (Matt. 6:33; Phil. 3:20)

Is there a more _____ message today than this?

A. _____ offered a similar doxology (word of glory) to God.

1 Chron. 29:10-13

B. _____ writers offered similar doxologies to God.

Rom. 11:33-36; 1 Peter 5:6-11; Jude 24-25

C. _____ records similar doxologies to God.

Rev. 4:1-11; 5:6-14

“The Lord’s Prayer” is truly a confession that we believe the kingdom, the power, the glory—_____

_____—belong to God.

Thank You

On behalf of my family and myself, I would like to thank everyone for the prayers, encouragement, and wonderful cards.

Your brother in Christ, Michael Willis

Service Schedule

SUNDAY

9:00-9:45 a.m. Bible Class 10:00 a.m. Worship
 Sunday p.m. service will not resume at this time.

The Benevolence Center worship service meets at 10:00 A.M. today.

The Sunday A.M. Chapel Adult Bible Class will return to the auditorium to ensure the ability to distance ourselves better. Please sit in the same pew for class and worship rather than changing pews after class.

WEDNESDAY NIGHT CLASSES WILL NOW MEET AT 6:30-7:15 P.M.

The Wednesday P.M. General Adult Class will continue to meet in the chapel.

As each of you are aware, Danny resigned from the ministry here at West Erwin on Sunday, August 16th. He and Lisa dedicated 32 years in service to God and ministering to the members here, and we have been blessed. Even though they feel like GOD has led them to this decision, they are not quitting, just stepping into a new chapter in their lives.

The elders did not want their service for so many years, to come to a close without any acknowledgement for all they have done, but due to the pandemic it has been a little bit of a challenge to plan an event.

We have decided that on Sunday, October 11th, there will be a reception, in the chapel, following the morning assembly. We would have liked to have done it a little differently, but feel this will allow people to express their love and appreciation to them for the past 32 years, while honoring the restrictions imposed by the presence of COVID.

The elders have given them a monetary gift on behalf of the church, but many of you have expressed a desire to give them something as well. We feel that the reception will be an ideal time to write them a note of gratitude, give them a card, or if you would like, a gift card or cash. Feel free to do any of these things on your own or if you would like to give it to one of the elders or staff we will make a tree and present it to them that day. There will also be a basket in the chapel that morning, for your cards and or notes.

Danny and Lisa and their family have been a BIG part of West Erwin for many years and even though he will not be on staff, their hearts remain those of a servant.

We want to encourage each of you to attend that morning to lift them up and give them the honor due them for their dedication to the LORD and their love for each of us!

Thank You

Thank you!! Thank you!! I have missed 26 Sundays, which is more than I have missed in all my life put together. The cards made me look forward to the mail every day. The phone calls I received were so wonderful, to know that I was missed and loved. It is great to be a member of West Erwin. John and I came here in January of 1988 and have enjoyed the love of everyone. I had a cooking team for the Tuesday lunches and nearly all of my team have gone to their reward, as so many others, including John. Thank you just doesn't seem to be enough but what else can I say?
I love you so much -- Ruby Cliver

A Mission Update from BICA in Guatemala (Bible Institute of Central America)

Dear brethren in Christ,

Every morning at 7am in our daily devotional we pray in a special way for you and your nation especially for these decisive moments in every way. God be with you always! He is in control!

We are always very grateful to God for you and your generosity in making it possible for us to fulfill the great commission in an excellent way training excellent evangelists of the church.

The pandemic is at its highest level in Guatemala. Hospitals are saturated, some collapsed.

But we always remain firm and with our eyes fixed on the goal of finishing this year by graduating 20 more evangelists, whose results in the work - especially in the great commission - are incalculable for the next 40 years.

We continue to be grateful to God that no one has fallen ill with Covid-19.

Although personal evangelism has been limited outside of our community, students present the gospel locally. Thank God in September 27 souls were baptized. We have 3 congregations around us and these baptisms are sent to the care of these congregations. Even in the pandemic, we try to get students to practice personal evangelism. The joy remains!

Graduates report at least 97 baptisms in September. All this means that in the midst of the pandemic souls are saved! And you are and I have been part of this victory!

Please receive our love of Christian fellowship and all our gratitude for your generous financial support of the school.

Peace and Grace,

Roberto
