**Church Activities & Accomplishments:**

I have accomplished so much with this church such as; 4 LTC's, many church camps and even more VBS. My favorite church accomplishment was accepting Jesus Christ to be my Lord and Savior at LTC last year. If I had to choose 2 more of my favorite accomplishments it would be performing at the church service on Sunday morning at LTC in 2018. Lastly, it would be this year at the LTC. The awards were a huge bonus to all our hard work, but it has no comparison to the endless laughs and amazing memories I will remember forever.

**How has God shaped you?**

Ever since I was a little girl, I was at church every Sunday and every Wednesday. When I was in the sixth grade, we switched from University to West Erwin so I could go to a church that had a youth group. For the past 7 years, I have watched so many of y'all younger kids come into this world and lost some great older ones too. So yes, God has shaped me into the person I am today, but I would not have been able to do it without the people that have been by my side every step of the way. To help me up when I have fallen or to cheer me on when I am at the top, all have been there every step of the way, and I can't be more thankful for each one of y'all.

**What are your plans next year?**

If you would have asked me 6 months ago, I would have said I had no idea. If you would have asked me a month ago, I would have told you I planned to attend Panola College in Carthage. But as of today, I don't know what the next year of my life holds but when I do attend college, I plan to pursue a criminal justice degree with a minor in forensic science and then later become an FBI agent. As of right now, I have no idea where I am going to college, but I know God will open the right doors for me when the right opportunity comes available.
